General Terms and Conditions

These terms and conditions apply to all aspects of your policy.

What makes up your policy of insurance

The schedule, general terms and conditions and the policy wording, together with any correspondence sent to you, as well as any verbal agreements we make, form the policy of insurance between you and us. Please ensure that you are familiar with the contents of all the documents and that all the details noted on the schedule are correct in every respect.

References in this policy to “you”

Please note that all references to “you” in the policy book indicate the people/person responsible for owning/running the business, whether it is a company, close corporation, partnership or sole proprietorship.

How we indemnify you

Subject to the terms of your policy, we have the option to pay, replace or repair (or any combination of these) through a supplier or repairer of our choice.

Policy changes and cancellation

We may change or cancel your policy by giving you 30 days’ notice. We may give this notice verbally, by fax, e-mail or post to your last-known address. Any change or cancellation that you make will be effective from the time and date agreed to. Please note that if you cancel your policy during the course of an insured month, the premium paid for the rest of that month will not be refunded to you.

If you cancel your policy or any part thereof because you also have cover for the same item/s with another insurer, or your vehicle was sold, stolen or written off, or for any other reason, then your premium refund will be limited to premiums actually paid in the 12 months prior to cancellation.

Payments

Your policy is a monthly policy and you must make the monthly payments in advance on the agreed deduction date stated on the schedule. If your deduction date falls on a Sunday or public holiday, your debit order may be lodged for an earlier date.

Payments not received

If we do not receive the payment for a policy on the deduction date(s) as stated on the schedule, you will not have any cover for the period for which you did not pay. From the second month’s due payment, if payment is not made, we will allow a 15-day period of grace for payment. We will then also charge a non-refundable deduction fee.

If your premium is not received on your preferred deduction date, an attempt to collect your premium on a more suitable deduction date may be made in an effort to keep you covered. If we do not receive your payment for two months in a row, the policy will be cancelled immediately.

Reinstatement of interrupted cover

When cover is interrupted because we did not receive your payment, we have the right to debit your account to reinstate your cover. We will then charge a reinstatement fee and debit your account as soon as possible. In addition to the reinstatement fee, you must also make a normal monthly payment for the cover to recommence.

Your obligations

If you do not fulfil any of the following obligations, cover may be cancelled and/or your claim may not be settled.

Your obligations are to:

- 1 provide us with true and complete information;
- 2 comply with all our reasonable requests;
- 3 assist us in all ways to recover indemnification from any other person who caused the loss for which you claim;

- 4 use all reasonable care and take all reasonable precautions to prevent or minimise loss, damage, death, injury or liability;
- 5 not admit any fault, nor make any offer to settle or settlement, without our written agreement;
- 6 inform us if any of the policy details or declarations are incorrect or if any of these details or declarations change;
- 7 tell us if you change the address where you usually keep the items we insure;
- 8 tell us about anything you have not yet disclosed, but that may be important for us to know in order to accept the policy, or about anything that changes that may be important for us to continue accepting the policy;
- 9 allow us to enter your premises and take, keep possession of and deal with any claimed property in any way we consider reasonable. You may not abandon any damaged property to us, whether we have taken possession of the property or not; and
- 10 allow us to use your name in any legal action against any other person to recover any amounts settled, or that we agree to settle, in respect of a claim under your policy.

Important time limits

We will only indemnify you for a claim if you:

- 1 inform us and give us full details of anything that has happened that you may claim for, within 60 days from the date of the incident giving rise to the claim;
- 2 report anything that is lost or stolen to the police, within 48 hours;
- 3 give us any documents that you receive in connection with any claim, within 30 days; and
- 4 provide us with all the information and documentation that we may ask for, within 30 days.

General clauses

Other parties' rights

Only you, the policyholder, have rights in terms of this policy. If you decide not to claim for any damages, that would be your right only. No other person may claim from this policy.

Non-adherence to the policy

If you do not adhere to the terms and conditions of this policy, we have the right to not indemnify you for any claim.

Disputed claims

After we inform you of our decision on a claim, we will allow you 90 days to make representations to us about our decision. If you do not comply with this time limit, we will not reconsider the disputed claim. If we do receive representations, the decision will then be reviewed and the outcome communicated to you.

If, after review, we do not indemnify you for a claim or any part of it and you wish to challenge our decision, you must serve legal process on us within six months, calculated from the expiry of the 90-day period referred to above. If you do not comply with this time limit, you will be prevented from proceeding with legal process.

Proof

When you claim, we can ask you to prove the ownership and value of the things you claim for.

Contribution

If a claim is also covered by another policy, we will only indemnify you for our portion.

Deliberate act

You will not be indemnified for a claim when you or a member of your household, or anybody who acts on your behalf, deliberately causes loss, damage or injury.

Fraud or dishonesty

If you or anyone acting on your behalf submits a claim, or any information or documentation relating to any claim that is in anyway fraudulent, dishonest, inflated or exaggerated, we will reject the entire claim and cancel your policy retrospectively, either from the date on which the incident has been reported or from the actual incident date, whichever date is the earliest.

Excess

Every time something happens for which you claim, you must pay an excess. This is the uninsured part of your loss. The amounts that you will be responsible for under each section of the cover you have chosen are stated on your schedule.

More than one section of this policy

If a claim is reported to us, we will decide which section of this policy will apply.

Claims costs

We will pay for the assessments we need to do of claims under your policy. However, if you wish to employ a person to assist you in preparing your claim, indemnification for the costs you incur in this process will be at our discretion. The maximum payable under each section is stated on your schedule.

Security firms

Should you need to use the services of a legally registered security firm to safeguard your property, we will consider the employees of this security firm as employees of your own – even though they are not directly paid by you. Their employee status will be limited to the duties outlined in the agreement between the security firm and yourself.

We do not indemnify you for:

Any claim for loss, damage, death, injury or liability that is caused by or results from:

Riots, wars, political acts, terrorism or any such attempted acts:

- 1 any riot, strike or public disorder (including civil commotion, labour disturbances or lock-out) or any act or activity resulting in or calculated to bring about riot, strike or such disorder;
- 2 war, invasion, act of foreign enemy, hostilities or warlike operations (whether war be declared or not) or civil war;
- 3 mutiny, military uprising, military or usurped power, martial law, state of siege or any other event or cause that determines the proclamation or maintenance of martial law or state of siege, insurrection, rebellion or revolution;
- 4 any act or threat of any act (whether on behalf of any organisation, body, person or group of persons) calculated or directed to overthrow or influence any state or government or any provincial, local or tribal authority with force or by means of fear, terrorism or violence;
- 5 any act that is calculated or directed to bring about loss or damage in order to further any political aim, objective or cause, or to bring about any social or economic change, or in protest against any state, government or any provincial, local or tribal authority, or for the purpose of inspiring fear in the public or any section thereof;
- 6 any attempt to perform any act referred to in clause 4 or 5 above; or
- 7 the act of any lawfully established authority in controlling, preventing, suppressing or in any other way dealing with any occurrence referred to in any of clauses 1 to 6 above.

Things that happen for which the damage is covered by law

Any occurrence for which a fund has been established in terms of the War Damage Insurance and Compensation Act 1976 (Act No. 85 of 1976) of the Republic of South Africa, or any similar act operative in any of the territories to which your policy applies.

Nuclear substances

Nuclear material, fission, fusion, weapons, explosives, waste, ionising, radiations or contamination by radioactivity from any nuclear fuel, or from any nuclear waste, or from the combustion of nuclear fuel that includes any self-sustaining process of nuclear fission.

Nationalisation

Nationalisation, confiscation, commandeering or requisition by any lawfully constituted authority.

Work stoppage

Stoppage or slowing down of any work, process or operation.

Computer processes

The improper or faulty functioning of any computer or computer-related equipment; for example, the inability or prevention of any computer, data processing equipment, microchip, circuits, software, tools, operating systems, hardware or any other related item using any data recognising, manipulating, interpreting, processing, storing, receiving, responding, saving, retaining or using any command or instruction. We will not indemnify you should any computer equipment suffer a virus, trojan horse, time or logic bomb or worm, or other destructive or disruptive code, media or program or interference.

Asbestos

Death, injury, illness, costs, or expenses of whatsoever type related to asbestos.

Deterioration and breakdown

Failure, breakage or rust, wear and tear, depreciation, perishing, fading, mechanical or electrical breakdown.

Contractual liability

Any loss arising from any contractual liability.

Consequential loss

Consequential loss or damage, except if we specifically state in your schedule that it is covered.

Illegal activities

Any loss or damage caused by the use of the insured property for, or in connection with, any illegal activity and/or the commission of any crime.

If we say that a claim is not covered because of any of the above, then you must prove the contrary.

South African Special Risks Insurance Association (Sasria)

Sasria covers you for any accidental or intentional damage to your property caused by any person or group of people taking part in a riot, strike, lock-out or civil commotion, or committing any act that has a political, social or economic aim, objective or cause, or that is in protest against any state or government.

This cover is limited to things happening in South Africa. The Sasria master policy is kept by us and is available on request.

What is not covered by Sasria

Sasria does not cover loss or damage that is caused by:

- 1 consequential or indirect means;
- 2 a stoppage or deliberate slowing down of work;
- 3 your property being disposed of or confiscated by any lawful authority;
- 4 any lawful authority when dealing with riots, civil commotion or other political, social or economic act, war and warlike acts;
- 5 an act of terrorism involving the use or release, or the threat thereof, of any nuclear weapon or device, or chemical or biological agent; or
- 6 looting and theft.

Proof

If Sasria does not pay your claim, it is your duty to prove that you were covered.

Undertaking in respect of the Ombudsman

We subscribe to the principles and rules of the company of the Ombudsman for Short-term Insurance (incorporated under Section 21 of the Companies Act) and we will always abide by his/her rulings in respect of any matter referred to him/her by a client.

The Ombudsman for Short-term Insurance can be contacted on 011 726 8900 or at PO Box 32334, Braamfontein 2017.

Fire

Under this section you may claim for:

- buildings

and other property kept inside your business premises, including:

- machinery, tools and equipment
- fixtures and fittings
- stock and materials
- miscellaneous items,

depending on the cover you have selected and provided your schedule states that you are paying a premium for this cover.

Excess

Every time something happens for which you claim, you must pay the basic excess. You must also pay any of the additional excesses on the schedule, on top of the basic excess.

We will indemnify you:

For physical loss or damage to your property, as noted in the **Fire section** of your schedule, if caused by any of the perils set out below.

Maximum indemnification

The maximum we will pay for any claim under this section is the sum insured. This is stated in the **Fire section** of your schedule.

Insured perils

Loss of or damage to your property as a result of:

- 1 fire, lightning, thunderbolt, power surge, subterranean fire, earthquake, explosion, storm, wind, water, hail and snow;
- 2 impact by animals, trees (except if they are being felled), aerials, satellite dishes, vehicles, aircraft and articles dropped from aircraft/s;
- 3 charges by any registered fire-fighting or rescue organisation; or
- 4 charges by any municipality to pass plans to replace the lost or damaged property.

Cover automatically included to assist you

Professional fees

You may have to obtain assistance from professionals in the replacement of property that was lost or damaged by the insured perils. We will indemnify you for the cost of architects or other professional persons in the compilation of estimates, plans, specifications, quantities, tenders or supervision.

Demolition and clearing costs

We will indemnify you for the cost of demolishing and clearing the land of debris after loss or damage caused by any of the insured perils.

Temporary removal

We will cover certain items, noted as item/s 2 under 'Sums insured' in the **Fire section** of your schedule, while they are away from your business premises, including transit by road or rail, for the purpose of overhauling, upkeep or repair.

Alternative replacement

Provided that the insured value is the correct new replacement value, we may indemnify you for replacing the insured property with alternative new property that can perform the same function.

Other tenants

We understand that other tenants in the building you occupy could move out or change their business activity, which could endanger your property to a greater extent than originally mentioned to us. Should this happen without your knowledge, we will provide cover, provided that you inform us immediately once you become aware of the changes. You may also be required to meet additional security requirements or pay any additional premium we consider fair and reasonable.

Building bondholders

We will provide cover to building bondholders of whom we are informed, should you or any other tenant in the building do anything that increases the danger of possible loss or damage to a greater extent than originally declared to us. However, we reserve the right to recover the value of any claim from the person or organisation that caused the increased danger.

Building escalation

Since the costs of building materials and labour increase every year, we will increase the insured value of certain items, noted as item/s 1 under 'Sums insured' in the **Fire section** of your schedule, by a market-appropriate percentage, every calendar year, from the date of inception of this policy. You are required to increase the value of these items at least once in a calendar year to make provision for these increased costs. If you fail to do so, the original insured value plus 10% will be the maximum insured value.

Optional cover

If you have selected the cover as described below and your schedule states that you are paying a premium for it.

Subsidence of land

We will indemnify you for loss of or damage to the buildings, as described above, caused by subsidence or heave of the land supporting the buildings or landslip, as long as the loss or damage is not caused by or does not arise from:

- excavations other than mining excavations;
- alterations, additions or repairs to the buildings;
- the compaction of infill;
- defective design materials or workmanship; or
- normal settlement, shrinkage or expansion of the dwelling.

Under this cover extension, we will also indemnify you if your office contents are insured with us and due to subsidence, heave or landslip, the insured items that you normally keep inside the buildings at the same insured address are lost or damaged at the same time as your buildings, and your buildings claim is approved.

Geyser cover

- a. loss or damage caused by geysers, or equipment or pipes attached to geysers, up to the maximum stated on the schedule; and
- b. loss of or damage to the geysers and attached equipment and pipes.
- c. loss or damage to your heat pumps, solar panels, solar tubes, gas and induction, but only if this is stated on your schedule.

You must insure your geysers for the actual number of geysers in any of your insured building/s. If you claim, we will calculate the costs against the actual number of geysers declared. If you insured fewer geysers than the actual number of geysers, we will only pay part of your claim, e.g.:

CLAIM FOR ONE DAMAGED GEYSER	R10 000
NUMBER OF GEYSERS INSURED	1
ACTUAL NUMBER OF GEYSERS	2
UNDERINSURANCE CALCULATION	<u>R10 000 X 1</u>
	2
CLAIM PAYMENT	R5 000

Please note: Installations must comply with the manufacturer's and all relevant regulatory requirements.

We do not indemnify you:

For loss or damage as a result of:

- 1 Any tsunami, volcano, or abnormal nature conditions not included in this section as a peril or additional peril.
- 2 If you have selected optional cover for subsidence and landslip, we will not indemnify you for:
 - 2.1 Loss of or damage to solid floor slabs or any other part of the building resulting from the movement of the slabs, unless the foundations supporting the external walls of the buildings are damaged by the same cause at the same time.
 - 2.2 Loss of or damage to swimming pools, tennis courts, patios, terraces, driveways, paths, septic or conservancy tanks, drains, water courses, walls, gates, posts and fences, unless the insured buildings are damaged by the same cause at the same time.
 - 2.3 The cost of work necessary to prevent further loss or damage due to subsidence, heave or landslide, except where appropriate design precautions were implemented during the original construction of the buildings and any subsequent additions thereto.
- 3 Exposure of property to any heating, drying or water process.
- 4 The property being in any underground mine or in the open, unless designed to be in the open.
- 5 The property being a retaining wall, drain or constructed water course.
- 6 Any faulty design or construction.
- 7 The weakening of any support to any structure.
- 8 The work of any workmen.
- 9 Any excavation work.
- 10 Any malicious damage.

We will also not indemnify you for loss of or damage to property that is insured under any marine insurance policy.

What happens if you are underinsured

The amount for which you insure your property must be its new replacement value. The replacement value is what it will cost you, at the time of a claim, to replace all your property with similar new property. If you claim, we will calculate the replacement value for which you should have insured your property. If you insured for less than that, we will only pay a part of your claim, e.g.

CLAIM	R10 000
INSURED FOR	R50 000
REPLACEMENT VALUE	R100 000
UNDERINSURANCE CALCULATION	$R10\ 000 \times R50\ 000$
	<hr/>
	R100 000
CLAIM PAYMENT	R5 000

Business Interruption

Under this section you may claim if you lose turnover/sales/revenue/income as a result of loss of or damage to your business property.

Excess

Every time something happens for which you claim, you must pay the basic excess. You must also pay any of the additional excesses on the schedule, on top of the basic excess.

Definitions

The following definitions will apply to this section:

Turnover/sales/revenue/income

The money paid or payable to you for goods sold and delivered or supplied by you from your business, or rent received from tenants.

Fixed costs/expenses

The costs and expenses of your business that you have to pay, whether you are in business or not, and that are not directly proportionally related to your turnover/sales/revenue/income.

Variable costs/expenses

The costs and expenses of your business that you would not have to pay if you were not in business and that are proportionally related to the value of your turnover/sales/revenue/income.

Net profit before tax

The value of your turnover/sales/revenue/income less your fixed costs/expenses as well as your variable costs/expenses before the payment of any tax on the business profit.

Financial report/balance sheet

All the financial figures reflected in your books of account for a financial year, or, if your business has not been operating for a full year, the figures related to the period of operation.

Trend

The proven increase, or decrease, percentage of your turnover/sales/revenue/income arising from circumstances or any change affecting your business, either before or after the damage for the period immediately following the finalisation of your financial report/balance sheet.

Claims ratio

Your fixed costs/expenses plus net profit before tax as a percentage of your turnover/sales/revenue/income, as calculated in your financial report/balance sheet.

Indemnity period

We will indemnify you from the time the damage or loss occurred, up until such time as you are back in business and your turnover/sales/revenue/income has been restored to what it was before the claim, subject to any change in the trend of the business.

Damage

Damage caused by a peril insured in terms of the **Fire, Office Contents, or Buildings Combined sections** of this policy, whether caused to the property stated in the **Fire section** or caused to property insured elsewhere in this policy only.

We will indemnify you:

If you lose turnover/sales/revenue/income as a result of any damage leading to the interruption of your business, caused by any of the perils covered under the **Fire, Office Contents, or Buildings Combined sections** of your policy.

The interruption must be as a result of a loss that would give rise to a valid claim under these sections. The loss must also have occurred during the course of your business and at the business premises noted on your schedule.

We will indemnify you and place you in the same position as you were before the damage, so that your business can continue to operate as if you did not suffer the damage to your property that caused the loss of turnover/sales/revenue/income.

Maximum indemnification

The amount of financial loss you suffered until such time as your business has returned to expected levels, and subject to the maximum indemnity and period as set out on your schedule.

Calculation of payment

Our payment will be based on the following calculation:

The claims ratio applied to the proven loss of turnover/sales/revenue/income suffered, adjusted for trend, but less any fixed costs/expenses not paid due to the damage.

Example of how we will calculate indemnification:

VARIABLE COSTS/EXPENSES RECORDED IN PREVIOUS YEAR'S FINANCIAL REPORT	R750 000
FIXED COSTS/EXPENSES RECORDED IN PREVIOUS YEAR'S FINANCIAL REPORT	R200 000
NET PROFIT BEFORE TAX	R50 000
TURNOVER RECORDED IN PREVIOUS YEAR'S FINANCIAL REPORT	R1 000 000

CLAIMS RATIO:

$$\frac{R1\ 000\ 000 - R750\ 000}{R1\ 000\ 000} = \frac{R250\ 000}{R1\ 000\ 000}$$

RATIO =

$$\frac{R50\ 000}{R1\ 000\ 000} \times 100\% = 5\%$$

PROVEN LOSS OF TURNOVER/SALES/REVENUE/INCOME, FOLLOWING LOSS OR DAMAGE IS, E.G.	R100 000
MAXIMUM INDEMNIFICATION IS THEREFORE LESS ANY SAVINGS ACHIEVED.	R25 000

IF THE BUSINESS TREND PROVES TO BE AN INCREASE OF 20%, THEN THE INDEMNIFICATION WOULD BE ADJUSTED TO **R30 000**, LESS ANY SAVINGS ACHIEVED.

Note

- 1 The above calculation is an example only.
- 2 The appointed loss adjuster may calculate the indemnification related to an increase in the cost of operating the business, or according to the example (or a combination of both), which is as a result of the reduction of turnover/sales/revenue/income, providing the maximum value of the indemnification does not exceed the reduction of the turnover/sales/revenue/income calculation.

Your obligations

You are required to ensure that your books of account are in order and that records are fully updated within 60 days of the end of every month. If your records are not up to date at the time of loss, we will use the figures and supporting documents you used when preparing your VAT returns. If you are not a registered vendor in terms of the VAT statute, we reserve the right to indemnify you as we consider fair and reasonable.

Cover automatically included to assist you

Accountants

We will accept any information requested from your appointed accountant as true and correct.

Accumulated stock

If you are able to maintain your turnover/sales/revenue/income by using any of your accumulated stock, we will indemnify you as if you did not use the accumulated stock.

Departments/branches/business units

Your business may be separated into different units, which may each be accounted for separately. If this is the case and you have accurately stated the turnover/sales/revenue/income of your entire business, we will base our calculations for a claim only on the figures for the particular unit that suffered the loss or damage.

Unit output

If you elect that we do so, we will calculate the claims payment to you by working out what the Rand value is of the decrease in production that took place in your business unit as a result of the loss or damage.

Salvage sale turnover/sales/revenue/income

When your indemnification for the claim is calculated, we will also take into account any turnover/sales/revenue/income that you received from any salvage sale you hold in the period between the damage and finalisation of the claim.

Other premises

If your business is dependent on any of the following, we will calculate the indemnification as if the damage happened at your business premises:

a. Suppliers

If damage by a peril, insured under the **Fire, Office Contents** or **Buildings Combined sections** of your policy, occurs at the premises of your supplier and, as a result, your supplier is unable to supply the products that you need in order to earn your turnover/sales/revenue/income, it will be covered.

b. **Prevention of access**

If damage by a peril, insured under the **Fire, Office Contents** or **Buildings Combined sections** of your policy, occurs within a 15 km radius of your insured business premises, making it impossible to gain access to those premises and, as a result, you suffer a decrease in turnover/sales/revenue/income, it will be covered.

c. **Additional business premises**

If you occupy additional business premises and suffer a loss of turnover/sales/revenue/income as a result of damage covered by the **Fire, Office Contents** or **Buildings Combined sections** of your policy, it will be covered.

d. **Customers**

If your customer suffers damage that is covered under the **Fire, Office Contents** or **Buildings Combined sections** of your policy and, as a result, the customer is unable to accept the products that you provide in order to earn your turnover/sales/revenue/income, it will be covered.

e. **Public utilities**

If the public supply of electricity, water, gas or telecommunication services to your business premises breaks down for longer than 24 hours.

Optional cover

If you have selected the cover as described below and your schedule states that you are paying a premium for it.

Malicious damage

Loss or damage as a result of malicious damage is excluded under the **Fire, Office Contents** and **Buildings Combined sections** of your policy. You may, however, have insured your goods against accidental damage and, under this section, selected additional cover for malicious damage. If this is the case and your schedule states that you are paying a premium for this cover, we will also indemnify you if you lose turnover/sales/revenue/income as a result of malicious damage leading to interruption of your business. The most we will pay for a claim of this nature will be the maximum indemnification amount stated for malicious damage on your Accidental Damage schedule.

Additional increased cost of working

Additional expenses you incur during the indemnity period to continue with your normal business operations after loss or damage due to an insured peril. The maximum amount we will pay is stated on your schedule.

We do not indemnify you:

- 1 If your business is discontinued for any reason.
- 2 If your business is placed into liquidation or conducted by any judicial manager appointed by a court of law.
- 3 If you are incapable of operating the business due to any process of law, or medical incapacity if you are a sole proprietor and are unable to employ someone to operate your business for you.
- 4 For loss of turnover/sales/revenue/income resulting from any incident that is not listed as an insured peril under the **Fire, Office Contents**, or **Buildings Combined sections** of your policy.
- 5 For any loss following damage to vehicles and stock in transit or to any property not insured under this policy.
- 6 Damage caused by theft will not be covered.

What happens if you are underinsured

If the sum insured is less than the true turnover/sales/revenue/income received for the 12 months prior to the time of the damage or loss (or if the business has not operated for 12 full months, the proportional value of 12 months' operation), we will pay the claim proportionately, because the sum insured is calculated according to 12 full months of turnover/sales/revenue/income.

Our calculation will be as follows:

$$\frac{\text{SUM INSURED} \times \text{THE VALUE OF YOUR CLAIM}}{12 \text{ MONTHS' TURNOVER/SALES/REVENUE/INCOME AT THE TIME OF LOSS}}$$

For example:

$$\frac{\text{R110 000} \times \text{R10 000}}{\text{R150 000}}$$

WE WILL ONLY INDEMNIFY YOU UP TO **R7 333**.

Buildings Combined

Under this section you may claim for loss of or damage to the physical structure of your business building and its outbuildings.

Excess

Every time something happens for which you claim, you must pay the basic excess. You must also pay any of the additional excesses on the schedule, on top of the basic excess.

Definitions

The following definitions will apply to this section:

Third party

A third party is any person with whom you have no family or employer relationship, as understood in a court of law.

We will indemnify you:

For loss of or damage to the buildings, sporting and recreational structures, and outbuildings (built of brick, stone, concrete or metal and roofed with slate, concrete tiles, concrete, asbestos or metal), including the landlord's fixtures and fittings as well as boundary walls, gates, tarred and paved roads, driveways, paths or parking areas for which you are legally responsible.

Maximum indemnification

The maximum we will pay for any claim under this section is the sum insured. This is stated in the **Buildings Combined section** of your schedule.

Insured perils

There will be cover if the loss or damage is caused by any of the following perils:

- 1 Fire, lightning, thunderbolt, power surge, subterranean fire, earthquake, explosion, storm, wind, water, hail and snow.
- 2 Impact by animals, trees (except while they are being felled), aerials, satellite dishes, vehicles, aircraft and articles dropped from aircraft.
- 3 Burglary requiring break-in to any building or structure.
- 4 Charges by any registered fire-fighting or rescue organisation.
- 5 Charges by any municipality to pass plans to replace the lost or damaged property.
- 6 Accidental breakage of fixed mirror glass, fixed glass doors and sanitary ware.

Cover automatically included to assist you

Loss of rent

If you lose rent because your tenant had to vacate the building or any part of it due to damage caused by an insured peril, or if your tenant is unable to access your building as a result of an insured peril, but only until the building or the part that was damaged is fit for reoccupation. The maximum we will pay for a claim under this cover section is 25% of the sum insured.

Landlord's liability

If you are held legally liable for loss or damage in your capacity as landlord of the insured property. The maximum we will pay for a claim under this section is stated on your schedule.

Professional fees

You may need assistance from professionals in the replacement of property that was lost or damaged by the insured perils. We will indemnify you for the cost of architects or other professional persons in the compilation of estimates, plans, specifications, quantities, tenders or supervision.

Demolition and clearing costs

We will indemnify you for the cost of demolishing and clearing the land of debris after loss of or damage to your buildings or structures caused by any of the insured perils.

Temporary removal

We will extend this insurance to cover the property while it is away from your building or structure, including transit by road or rail, for the purpose of overhaul, upkeep or repair.

Other tenants

We understand that other tenants in the building you occupy could move out or change their business activity, which could endanger your property to a greater extent than originally mentioned to us. Should this happen without your knowledge, we will provide cover, provided that you inform us immediately once you become aware of the changes. You may also be required to meet additional security requirements or pay any additional premium we consider fair and reasonable.

Building bondholders

We will indemnify building bondholders of whom we are informed should you or any other tenant in the building do anything that increases the danger of possible loss or damage to a greater extent than originally mentioned to us. However, we reserve the right to recover the value of any claim from the person or organisation that caused the increased danger.

Building escalation

Since the costs of building materials and labour increase every year, we agree to increase the sum insured by a factor of 10% per calendar year from the date of inception of this policy. It is a requirement that you increase the value at least once per calendar year to cater for these increased costs. Should you fail to increase the sum insured once a year, the original sum insured plus 10% will be the maximum sum insured that we will consider valid.

Optional cover

If you have selected the cover as described below and your schedule states that you are paying a premium for it.

Subsidence of land

We will indemnify you for loss of or damage to the buildings, as described above, caused by subsidence or heave of the land supporting the buildings or landslip, as long as the loss or damage is not caused by or does not arise from:

- excavations other than mining excavations;
- alterations, additions or repairs to the buildings;

- the compaction of infill;
- defective design materials or workmanship; or
- normal settlement, shrinkage or expansion of the dwelling.

Under this cover extension, we will also indemnify you if your office contents are insured with us and due to subsidence, heave or landslip, the insured items that you normally keep inside the buildings at the same insured address are lost or damaged at the same time as your buildings, and your buildings claim is approved.

Geyser cover

- loss of or damage to the geysers and attached equipment and pipes.
- loss or damage to your heat pumps, solar panels, solar tubes, gas and induction, but only if this is stated on your schedule.

You must insure your geysers for the actual number of geysers in any of your insured building/s. If you claim, we will calculate the costs against the actual number of geysers declared. If you insured fewer geysers than the actual number of geysers, we will only pay part of your claim, e.g.:

CLAIM FOR ONE DAMAGED GEYSER	R10 000
NUMBER OF GEYSERS INSURED	1
ACTUAL NUMBER OF GEYSERS	2
UNDERINSURANCE CALCULATION	<u>R10 000 X 1</u>
